TACC Team Announcements
Jenna Rakes, Director, Talent Acquisition, Classification & Compensation

- Staffing updates
  - **Grant Keeney** will be the Assistant Director of Classification and Compensation, leading the Classification and Compensation Analysts, managing processes and making recommendations, and overseeing large scale compensation projects and campus-wide reviews. Grant has been in classification and compensation since he joined the team in 2018 (from a prior life in HR Operations). I greatly appreciate his expertise, analytical skills, and steady leadership and I am excited to see him take on this new role.
  - **Maeve Anderson** will be the Associate Director of University Talent Acquisition, leading the day-to-day operations of recruitment and hiring, managing the Recruitment Consultants, and leading our training, DEI, and active recruitment efforts across campus. Maeve has been with University HR since 2019, after serving in a key HR role in Undergraduate Education and Student Success. I am excited to see Maeve use her adept consulting skills, creativity, and mentorship of team members in this expanded role.
  - **Sara Bowman**, Recruitment Consultant, will be supervising the Recruitment Specialists.
  - **Shawna Gilbert**, Recruitment Consultant, will be taking on an expanded role managing technology for our area, including our integrated background check vendor, and working with me on updates/changes to MyTrack.
  - **Harmony Stobaugh**, Classification and Compensation Analyst is now supervising and training our two interim classification and compensation specialists.
  - We are thrilled to announce we have hired **Ellie Glunn** as a Recruitment Consultant. Ellie Glunn joined the team this week. Ellie is a UO Alum, and has experience with recruitment, onboarding, and training both with Safeway/Albertsons as well as Eugene Therapy.
• Primary Work Location - MyTrack update coming soon
  o This field will need to be completed when you enter and offer card, and should reflect the location where an employee works for 51%+ of their time
  o Work location can drive local taxes, workers compensation rates, leave options, minimum wage, and FLSA
  o Hybrid employees – need to consider where they work the majority of the time
  o Updates coming before end of year to the Offer Card
  o Units will be prompted to update the offer card to reflect primary work location of the new hire

Maeve Anderson, Associate Director, Talent Acquisition
